

Shepparton Concrete Assistant Manager/2IC

Mawsons is recognised as a family values company, that has been established for over 100 years. Mawsons services the construction, mining and infrastructure industries, reliably supplying quality concrete and quarry products across Northern Victoria and Southern N.S.W.

We seek a confident person with great people skills, who is highly organised and has the ability to motivate and help lead a team. The main objective of this full time role is to provide effective support to the Shepparton site manager.

Duties include sales, reporting/scheduling, concrete batching, staff management, front end loader operations, administration and aiding the site manager in developing and maintaining good business relationships with customers is critical. You will need to demonstrate professional maturity and capable customer relations skills. Industry knowledge and experience would be advantageous.

You will need to be totally committed to safety and quality and have solid computer and reporting skills. Product delivery will be a part of this role from time to time. A heavy vehicle license is desirable but not essential, as is general truck driving experience. On the job training will be provided.
