

OHS Compliance and Wellbeing Manager

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W.

We are seeking an enthusiastic, responsible and experienced OHS professional who has a high attention to detail and a “can do attitude” to assist our OHS department.

The successful applicant will have strong experience in interpreting legislation, a degree or diploma in occupational health and safety, strong medical knowledge and experience, and good communication and team work skills.

This role is ideally based in Bendigo, and travel is a requirement as it provides support for 55+ sites that cover a geography of approximately 1200 km. Under the guidance of the General Manager for OHS, the successful applicant will be responsible for a variety of OHS work including:

- Developing and maintaining documentation required for compliance with relevant legislation
- Maintaining and improving Mawsons' existing OHS Management system
- Facilitating and monitoring Mawsons' wellbeing programs
- Maintaining, developing and auditing Mawsons' contractor management compliance
- Providing support and expert advice to Mawsons' injury management system
- Providing support as required to the OHS General Manager
- Providing support and mentoring to the OHS Coordinator

The successful applicant will need to be committed to safety and quality, have excellent customer service skills and be able to contribute to a successful team.
