

Regional Manager: Broken Hill

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W.

We are seeking a motivated and responsible person for the overall management of our well established quarry, concrete and landscape supply operations in Broken Hill.

This new position will report to the Divisional General Manager and be responsible for the co-ordinated management of Mawsons' business in the region. Supported by experienced direct reports this on-site role will facilitate the on-going development of Mawsons' people, plant, resources and market in and around Broken Hill.

The successful applicant will be a strong communicator, with the ability to understand the financial reporting and daily operations of their business units. This is a team leadership role and requires effective skills in strategic thinking, planning and managing people and equipment.

Experience in quarry or mine management is essential, and experience in producing and delivering concrete is advantageous.

Suitable training will be provided to the successful applicants consistent with their skills and experience. The successful applicants will need to be committed to safety and quality, have a positive work attitude and display excellent customer service skills.

An attractive package including motor vehicle and accommodation will be negotiated with the successful candidate.
