

Quarry Operator Berrigan

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. We are seeking a motivated and responsible person to join our busy, well established quarry operations at Berrigan.

Main duties of this full time role include operating mobile and fixed plant equipment, commencing with driving a haul truck. Tickets and experience driving a loader, dump truck and/or excavator would be an advantage, as would knowledge of screening, crushing and quarry plant maintenance.

Suitable training will be provided to the successful applicant consistent with their skills and experience. Effective teamwork and attention to detail are key aspects of this role. You will need to be 100% committed to site safety and product quality, have a positive work attitude and display excellent customer service skills.
