

## Quarry Operator Broken Hill

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. We seek a motivated and capable person for this full time position working across Mawsons quarry and concrete operations at Broken Hill. Main duties of this rewarding and diverse role include:

- Crushing & screening equipment operation and maintenance
- Heavy earthmoving plant operation, including
  - Dump truck
  - Front end loader
  - Excavator
  - Rock drill
- Rigid truck driving, including water cart, agitator & tippers

The role reports to Mawsons Broken Hill Quarry Manager and the main duties are quarry based. Competency and experience in operating heavy mobile plant and a knowledge of screening and crushing is desirable, as is a HR Licence. Mechanical and fabrication aptitude would be an advantage. On the job training to broaden skills will be available. The successful applicant will need to show a total commitment to work safety and have the attitude and skills to deliver excellent customer service.
