

Mawsons Bendigo Concrete Agitator Truck Driver

Mawsons Concrete & Quarries is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. We are seeking an enthusiastic and responsible person for casual employment driving an agitator truck at our Bendigo concrete plant.

Duties include agi truck driving, completing delivery paperwork, general yard duties and occasional basic computer work. A heavy rigid truck licence is essential, as is general truck driving experience. The successful applicant will benefit from thorough on the job training from the professional and friendly Bendigo team. Excellent customer service skills and effective team work are key aspects of this role. Applicants need to be totally committed to safety and quality and display a professional and positive work attitude.
