

## **Mawsons Concrete Site Supervisor - Castlemaine**

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. We seek a capable person with great people skills, who is highly organised and confident. This full time position is supervising our concrete site operations at Castlemaine. Duties include:

- customer sales
- concrete batching
- front end loader operations
- concrete delivery
- site administration
- basic reporting & computer work
- general site operational tasks

Developing and maintaining effective business relationships with local customers is critical and you will need to demonstrate a genuine community engagement. Based in Castlemaine this role will cover Castlemaine and surrounding Mawsons concrete sites, so travel will be an expectation. Industry knowledge and experience would be advantageous – on the job training provided. You will need to be totally committed to safety and quality, supporting management to lead a safety first culture. A heavy vehicle licence is essential, as is general truck driving experience.
