

## **Manager – Mawsons Mechanical**

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. Mawsons Mechanical is our heavy vehicle diesel workshop and Cummins Dealership located at our new, purpose built, workshop in Cohuna. Equipped with the latest equipment and amenities; the new Cohuna workshop is state of the art. We seek a motivated and conscientious person to fill this full time position as Manager.

Reporting directly to the General Manager Transport Operations; you will be responsible for managing the day to day operations of the workshop, supervising a team of mechanics and administration staff as well as promoting and building strong relationships with our customers and staff.

The successful applicant will need to be an effective people manager with a total commitment to site and team safety. Strong computer, administration, organisational abilities and reporting skills are required. Showing attention to detail and working with initiative will be crucial in this role. Experience in the automotive industry would be well regarded.
