

Fixed Plant Fitter / Boilermaker Broken Hill Quarry

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. We seek a capable and confident person for this full time role of Fixed Plant Fitter/Boilermaker at our busy Broken Hill Quarry.

The successful candidate will be required to perform a range of maintenance, repairs, welding and boilermaker duties on crushing, screening and quarry plant. You will need to be flexible with working hours and occasional weekend work.

Relevant experience is required and you will need to be totally committed to safety and quality with excellent communication and teamwork skills. Additional qualifications and/or tickets would be an advantage as would a heavy rigid truck licence.
