

## **Experienced Accountant Cohuna**

Mawsons is a family-run business that supplies quality construction materials throughout Northern Victoria and Southern N.S.W. We seek a motivated and responsible person to join our large finance team. This rewarding full-time position is based in the Victorian country township of Cohuna. Candidates are required to submit a brief cover letter that clearly articulates their understanding and commitment to reside and work in this regional location.

Duties include general accounting tasks, supporting the financial General Manager, other accountants, and the general administrative staff. A key part of this role will be managing the accounts of one of Mawsons Divisions and assisting the operational managers of this area. The successful candidate will have a total commitment to work safety and quality. Essential requirements are:

- Completed Bachelor of Business, Commerce or related degree with a major in accounting or finance
- Experience working in commercial accounting
- Strong attention to detail, established time management skills and a willingness to learn.

### **To apply**
